

YOUR BRAND. BUILT IN. CARRIED THROUGH TO RETAIL.

Build your brand from the start. The Brand Anchor System combines material color, embossing, labeling, and Tag Lock Technology into a coordinated branding solution that helps maintain visibility, consistency, and brand recognition from greenhouse operations to retail.

Built-In Brand Visibility

Color, embossing, and Tag Lock establish identity from the start.

Consistent Presentation

Labels applied before shipment with consistent placement.

Retail Tag Stability

Tag Lock Technology helps maintain visibility during handling.

System Integration

Color, embossing, labeling, and tag retention work together.

PROVEN IN PRODUCTION

Brand-Building Colors

Molded-In Branding
