

Round Pots Pint, Quart & Trade Gallon

THE ENVIRONMENTALLY RESPONSIBLE ROUND POT

INNOVATIVE, NEW ROUND POTS

The Environmentally Responsible Round Pot by T.O. Plastics is made from 95% recycled material. Sizes include pint, quart, and trade gallon. The pint and gallon round pots are compatible with existing carry trays and two new carry trays are available in 8 and 12-count for the quart round pot.

Made from 95%
Recycled Material
